Available at http://www.kdheks.gov/epi/arboviral_disease.htm

New Data and Reports: Bat Press Release

Press release available at

https://khap2.kdhe.state.ks.us/NewsRelease/comm_facebook PDF.aspx?MRI=3324&MRFI=1961

New Data and Reports: Syndromic Surveillance Data

- 16 Health Departments have now signed up to use ESSENCE for Syndromic Surveillance.
- In the coming months we will be working with Aaron Davis of Wichita State University to create a local health department user's group to expand use of ESSENCE.

New Data and Reports: PRAMS Data

- The Pregnancy Risk Assessment and Monitoring System (PRAMS) project has completed the first year of data collection.
- Data analysis should begin in 2019.
- Continuing to look for partnering organizations interested in conducting research using the PRAMS data.

New Data and Reports: Life Expectancy Data

- Census tract life expectancy data in early September.
- Life expectancy for persons at birth and for different age groups.
- The Bureau of Public Health Informatics is planning a pre-release discussion of the data, and the NCHS methods used to create the data. Look for a separate email with the date and time.

New Data and Reports: KIC Data
